Seven towns in Rakhine State get electricity in two years

Sittway March 12

According to the Rakhine State Chief Engineer's (electrical) Office, seven towns in Rakhine State got electricity during the incumbent government's two years of service.

The government is undertaking construction works to provide electricity to Yathedaung, Buthidaung and Maungtaw in 2018, and the works in Yathedaung are planned to be completed by the end of March.

In the six-month budget of the 2018-2019 fiscal year (FY), the improvement of power lines in Rakhine State will be taken up, and in the one-year budget of the 2018-2019 FY, the laying of new power lines is being planned.
