Free eye surgery offered to local people in Rakhine State

March 20, 2018

Shwe Karuna Foundation, a local philanthropic organization offered a free eye surgical treatment for cataract patients at a clinic in the capital Sittway in Rakhine State on Monday.

The free eye surgery started today and will last until 21 March, according to the organizer. Jointly organized by the Ministry of Health and Sports, Shwe Karuna Foundation's medical team is expected to treat more than 300 cataract patients throughout Rakhine State.

This is 12th free eye surgical treatment given by the foundation in Rakhine State. Accommodation for the patients who will receive eye surgery is provided in Sittway.

Market, shops see normalcy in Maungtaw

Maungtaw March 19

After the outbreak of the attacks in Maungtaw, the prices of common products including food, clothing and household goods boosted more than half. But now trading are coming back to normalcy and the prices of goods are being stability, it is learnt.

Maungtaw food market opens from 6 am to 11 am daily. Market is crowded with buyers and vendors.
