Local, foreign media gather news in Maungtau Township Maungtau August 23

A group of journalists from domestic and foreign media agencies departed from Sittway for Maungtau yesterday to gather news on the ground concerning Maungtau District's development, rehabilitation and relocation processes.

The media group first met with Maungtau District officials at the Maungtau District General Administration Office. During the meeting, Deputy Administrator explained about the UEHRD-facilitated repatriation process for returnees, rebuilding houses in the district, and the construction and completion of reception centers, while Police Lt-Col explained about security measures taken.

In the afternoon, the media group travelled to Hla Pho Khaung Transit Centre, viewing the structure and gathering news. The media group then travelled to ShweZar Village and interviewed the Muslims, Hindus and local residents peacefully co-existing.
